Subject: - Providing status of pension cases through SMS gateway.

Ref: - Chief Secretary's O.M No PS/CS/06/2018/1103-C dated.20.02.02018.

The Accountant General J&K through Chief Secretary's office has intimated that in order to overcome the difficulties being faced by the pensioners in knowing the status of their pension/family pension cases an online Pension Tracking System has been launched and the pensioners/beneficiaries can monitor progress of each case by login on the website www.agik.nic or www.agik.cag.gov.in. Taking a step forward the Accountant General's office intends to launch **SMS facility** for intimating the status of pension cases to the beneficiaries which will include:-

i) The receipt of his/her case in A.G's office and the Application No. allotted to the case.
ii) Any discrepancy/wanting information noticed in the case and its return to the concerned department for doing the needful.
iii) Intimation with regard to approval of the case and its dispatch to the concerned treasury.

Accordingly, all the Heads of Departments/Pension Sanctioning Authorities/Treasury Officers are advised to record the **Mobile Number** of the retiree/beneficiary on the pension papers before submitting the case to Accountant General's office for availing the SMS facility, so as to keep them updated about the status of the case.
