Subject:- Operating upon new head "Wages (Outsourcing)" for payments of wages to various categories.

C I R C U L A R

It has been observed that the payment of wages has been made by various DDOs under different object heads like Maintenance & Repairs , Suspense, Timber, Material & Supplies etc. thereby resulting in misuse of the related Heads for engagement of Labourers, Seasonal Labourers & Daily Wagers in contravention of Government Orders / instructions. A need has been felt to devise a proper mechanism for payment of wages to various categories under a common head and to curb the tendency of misuse of payment of wages from other object head of accounts.

In order to streamline the procedure of payment of wages by the DDOs of all the departments, a new Head is being introduced by the Finance Department under caption "Wages (Outsourcing)" for payment of wages to various categories like Daily Rated Workers, Labourers , Seasonal labourers etc. which shall operate from 1st April, 2018.

Therefore, it is hereby impressed upon all the Treasury Officers/ PAOs concerned not to allow / entertain payment of wages from any other Object Head except new head "Wages (Outsourcing)" / Hospital Development Fund and Local Funds exempted under SRO 520.
