In a meeting chaired by the Principal Accountant General (Audit), J&K and Accountant General (A&E) on 31.01.2014, the issue of rendition of accounts, in respect of Political Pension (Central) Defence Pension etc. where the amount is reimbursable to the State came under discussion. It was given to understand that various departments/ agencies often complain that they are not receiving the accounts in this regard regularly from the Treasury Officers. Non- submission of these accounts on regular basis results in delayed reimbursement of the amounts.

As a result of the discussions, the Principal Accountant General (Audit), J&K was kind enough to accept the request of the Finance Department to receive these accounts from the Treasury Officers alongwith their monthly accounts in the office of Accountant General (A&E) for onward transmission to the concerned quarters.

All the Treasury Officers are, therefore, directed that from April, 2014 they shall render the accounts of all such pension payments where the amount is reimbursable to the office of Accountant General (A&E) alongwith their monthly accounts preferably in separate folders so that the same are forwarded by them to concerned quarters for further appropriate action.
