Subject: SMS alert for GP Fund Account holders.

The J&K Funds organization recently introduced SMS alert service for the GP Fund subscribers of J&K State through the online application mode. The SMS alert facility will facilitate the subscribers to ascertain the account details in respect of General Provident Fund account balance vis-à-vis credit and debit position of their accounts from time to time. However, in order to avail the SMS alert facilities, it is necessary that the respective subscriber may get registered with the concerned Fund office through the DDO concerned on indicating subscriber's Computer Code and Mobile number. The DDOs concerned are required to furnish these details to the concerned Fund office so that the information provided by the DDO could be processed by the concerned Fund office to activate SMS alert service for the subscribers. However, it has been intimated by the Director General Funds Organization, J&K that there has been a poor response from the concerned DDOs in registering their employees with the Fund Office for availing SMS alert service. The DG, Funds organization further revealed that out of total number of Five Lakh subscribers, only Eighteen thousand subscribers have got themselves registered so far and has stressed need to impress upon DDOs operating upon Treasuries to get their employees/ subscribers registered with the concerned GPF office so that SMS alert facility could be extended to all the employees/subscribers.

In view of above, it is impressed upon all the Treasury Officers concerned to prevail upon the respective DDOs operating upon the treasuries concerned to furnish the requisite details to concerned GPF Office as early as possible enabling the Funds Organization J&K to provide SMS alert facility to all the Government Employees/subscribers within short period of time.

Sd/=  
(M. Yousuf Pandith),  
Director General,  
Accounts & Treasuries.
