C I R C U L A R

All the treasuries in J&K have been provided the internet sites NIC.in / gov.in for online functioning on NIC lease line/ LAN network.

It is impressed upon all the treasury officers/staff to make use of only authorised websites/applications in their official dealings and make use of e-mail addresses created either on nic.in or jk.gov.in domains and in no case use any other personal email address or any proxy software/utility. Use of any unauthorised software amounts to breach of IT Act and is fraught with the risk of leaking the data to foreign hackers.

Treasury officers are accordingly directed to adhere to the aforementioned instructions in letter and spirit.
