It has come to the notice of the Finance Department that the National Informatics Centre (NIC) staff deployed in various treasuries for technical support/assistance is being assigned the job of uploading of bills, making online payments by using the user ID and Password of TreasuryNet Application. The sharing of such Password is fraught with risk and is in violation of Codel provisions as also give rise to Irregularities/ embezzlements.

All the Treasury Officers are directed to ensure that, in future, no NIC personnel is entrusted the job of an Auditor or Treasury Superintendent. Their services shall exclusively be utilized for technical support in the operation of TreasuryNet application.
